KENTWOOD SALES CENTER 1660 17TH ST DENVER | MCGREGORSQUARE.COM

Please Note: Layouts, dimensions, common wall locations, specifications, views, door & window locations and assemblies, and finishes are proposed only and are subject to change and should not be relied upon when making a decision with regard to the home. The square footages shown hereon may include portions of walls that are not part of the unit but which are typically included for marketing purposes. The actual boundaries of the unit are described in the condominium declaration and depicted on the condominium map, which documents may use a different methodology for determining square footage. Furniture layouts shown for representation only. Rendering is representative of one finish palette, contact sales agent for additional options.
